

The page is decorated with stylized, colorful books. At the top, a shelf holds several books in green, orange, red, and brown. On the left side, a tall stack of books in various colors (brown, black, blue, red, brown, green, orange, green, red, red, red) is shown, with a red bookmark sticking out of the top. At the bottom, another shelf features books in red, orange, green, red, orange, brown, orange, green, and red. The background is a solid blue color.

A PEEK INTO OUR WEEK

Hey
there!

Wow!!! We have so much to tell you about all the fun we've been having, we don't even know where to start!!! Our spectacular trips on Chanukah vacation were really a blast!!! On Thursday, our artistic talents really showed when we painted a beautiful plaster picture at the Plaster Galaxy! We then had a grand time at MO Math! But that was just the beginning of all the fun! Friday, we were entertained at Kids-n-Action and then got to make our very own scrumptious pizza at Amnon's. On Monday, all we had was FUN, FUN, FUN at Funplex!!! Bottom line, we are really lucky to be part of the Ahavas Golda Family!!!

On Sunday, we got to make adorable mini doughnuts in a special doughnut machine! We then got to decorate them and of course... eat them! We really finished off Chanukah with a bang! The rest of the week, however, we worked hard to get rid of all the extra pounds that we may have gained over Chanukah!!! We had a great workout -while having loads of fun- as we danced to the beat and switched from one activity station to the next! We also made yummy, healthy vegetable skewers that we diced up all by ourselves! Boy were we out of breath after racing to see who can jog for the longest, but then we got to cool off with the really shticky fans that we decorated!!!

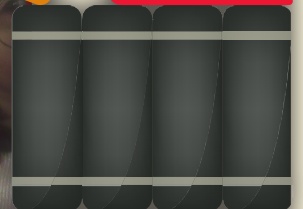

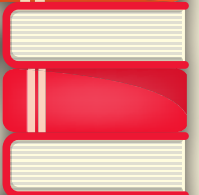

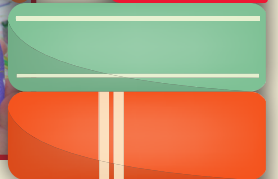

'Bye for now!!
Love,
Me
