DAY HAB - WEEKLY

Although throughout the year we learn and complete masechtes mishnayos, it remains more of a 'behind the scenes' thing. But on Chanukah it's our tradition to do a huge siyum with all higher ups joining and enjoying our great toil and accomplishments. Receiving recognition plaques and words of encouragement from them is our pride and glory. It's a mutual simcha for us all.

Our erev Shabbos Chanukah oneg was combined with our dear staff member, R' Avrum Schonfeld's simcha of his dear son Menachem Mendel's upsherin. They distributed beautiful, Chanukah themed pecklech. We sang some songs and wished him lots of nachas from all his kinderlach.

Chanukah with Dr. Baruch is something else. Even though we get to see him weekly with his tlc, he still makes sure to sponsor money, gifts and games so that we have a freilichen Chanukah. He enjoyed watching us play this awesome very unique dreidel game- all of which he'd sponsored.

We thanked him profusely and had such a great time.
