DAY HAB - WEEKLY

CHANUKAH CELEBRATIONS

On Sunday, the seventh day of Chanukah we were treated by our dear friend Sruly W. to awesomely entertaining comedy video performances which he himself was acting on. It was professionally produced and arranged by his beloved devoted staff, Rabbi M.S. Deutsch with the help of our famous badchen Reb Yosef Chaim Rothenstreich. We had a blast of a time, roaring with laughter.

Last Friday at our oneg, Shuee inspired us by relating the parshas hashavuah in detail with the mussar haskal of it. He went through every point and explained how he feels being a decedent of Shevet Efraim, which gives him a special connection to these parshas. We learned a lot from his insights.

Thanks Reb Yosef Chaim for arranging this year's massive, gigantic and most enjoyable Chanukah Concert on Thursday, the fourth day of Chanukah. Thanks as well to our dear development director R' Nuta Fried and his brother, our star guest trumpet player and years-long, old time, beloved DSP and great friend, R' Moshe Fried. Having them do the brass section made all the difference. We also had our dear staff member, R' Shia Baruch Teitelbaum from KJ on the guitar. At the drums was none other than the famous Matthew Hill, who was also enjoyed by all Dayhabs of Rockland and Orange County's. It was a time that can't and won't be forgotten so easily..... A freilichen tumid!
