Shabbaton 2020

Wow! We can't believe the Shabbaton was just two weeks ago! We had so much fun, it will last us a lifetime. Music and smiles greeted us right from the start. We all enjoyed running from one activity to the next, boy were we exhausted. When Shabbos finally arrived we felt on top of the stars.

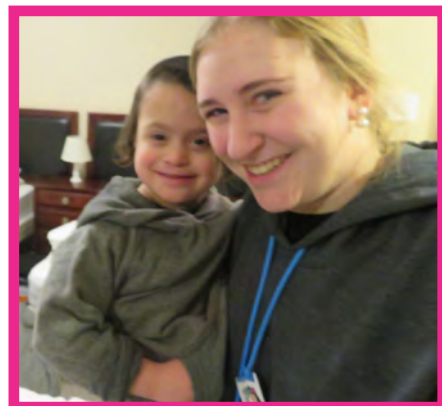

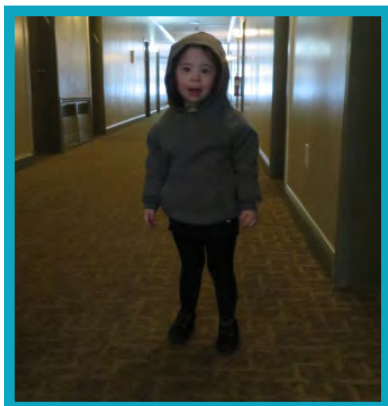

From the seudos, choir, storyteller, food activities, stations and all we couldn't get enough of it. When Motzei Shabbos arrived we were so excited we couldn't stop dancing, we didn't want to go home.

Thank you Mommy for sending me!
