Good for **מכות!!!!** **פרעה** now we know how **פרעה** felt with all those

דם - we all got a taste of **דם** , we drank red water

צפרדע - did you see my frog arts'-n-crafts? We had so much fun jumping around with it like real frogs

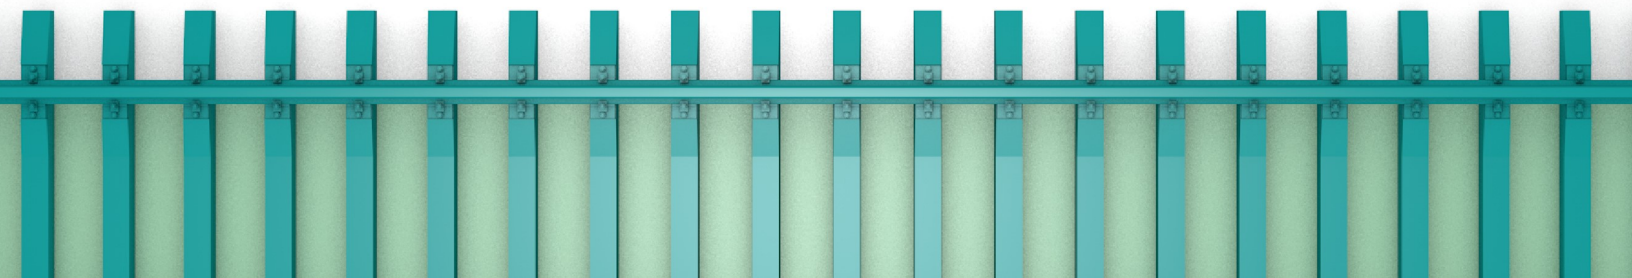

כנים - we really felt like **מצרים**. Teacher Raziq made us stand in a circle and we scratched each other.

דבר / ערוב - we crawled around like wild animals and when Teacher Raizy said **דבר** we dropped to the floor

שחין - we played catch and if you were caught you got **שחין** (red stickers)

ברד - we put a red sour ball into a cup filled with water and froze it. When we ate it by the Shabbos party we got the feeling of real **ברד** (water and fire mixed together)
