We made sure to make the most of our beautiful weather we had this week!!!

Making a מדבר with real sand (we made sure to use gloves not to get our hands dirty) and putting people on the cloud got us to really know how the yidden were

פרשת

Check out our ים
סוף that splits
when the אידן
went through
and when the
go through מצרים
and we make
sure to quickly
close it so all the
מצריים fall into
the water.

I hope you got to
see our bird

for שבת שירה.

פרשה / מידות

We love davening and learning the Parsha in our cozy circle

We learned that the שירה sang אידן to thank Hashem, and we learned about הכרת הטוב.

After learning about thanking we made a beautiful thank you sign for Toby!!!
